## Art Appreciation

Your child's classroom needs volunteers for art appreciation! Once a month, from October through May, a PTO parent volunteer will be invited into the classroom to introduce a famous artist and lead an exciting project reflecting that artist's style.

You don't have to be an artist to teach a creative art lesson in your child's classroom. Everything you need to teach the lesson will be provided: the artist's biography, step by step instructions and all the supplies needed to make a beautiful piece of art.

**Please return your completed form by September 20, 2018.**

**You must fill out a separate form for each child's class.**
